**1st Semester Final Examination Schedule (17/18)**  
**December 2017**

**No tests or new assignments of any kind are to be given on Friday, December 15.** This time should be used to review and prepare for final exams.

**If a student is late to a final exam,** he/she must report to his/her principal for an admit to the test. A student will be admitted to any test within the first 15 minutes with a pass from the student's principal. No extra time will be allowed to take the exam. A student arriving after 15 minutes will be counted absent. If a student is more than 15 minutes late, he/she is considered absent. If the student's principal rules the absence excused, the student will be allowed to make up the test at a later time. If the absence is ruled unexcused, no make-up test will be allowed and the student will receive a zero on the test.

**The only excuse for not being present for final exams** is illness of the student or illness or death in the immediate family. If a student is absent because of illness, he or she must have a note signed by a doctor. If a doctor is not used, the parent should call the school nurse, and she will ascertain if the illness is a valid excuse for being absent from school.

**Students are required to remain in classroom the entire testing period. Early dismissals are not granted on final exam days.**
