

# Klein Cain HS Traffic Plan

Hello Hurricane Parents, Students & Community,

As we prepare for our Hurricane students to make landfall on Monday, we wanted to update you on our new traffic plan. After reassessing the traffic flow, specifically on Spring Cypress in front of the school, we have a new plan to share with you. We worked collaboratively with Klein ISD district officials, as well as the Klein ISD Police Department, to establish a plan that will keep our students, parents and community members safe.

We will have split drop off/pickup locations on campus. You may drop off/pick up in front of the school (entering off Spring Cypress) or in the back of the school (entering off Cutten).

We sincerely thank you for your patience and understanding as we navigate our way through opening our campus! We are excited to make Landfall on Monday!

Sincerely,

Klein Cain Administration
